

# NERIDA

The title 'NERIDA' is written in large, white, hand-drawn letters against a dark, textured background. In the background, a small figure of a person is visible on a wooden structure, possibly a boat or a pier, under a dark sky.

FOR IMMEDIATE RELEASE

Lesser Known Comics brings Nerida to Kickstarter Feb 14th

Lesser Known Comics is teaming up once again with illustrator and writer David Luján to bring you the first installment of the epic fantasy Nerida, a ten part series  
In brilliant color.

David Luján, author of the vampire series Uriko, takes us to a fantasy world where mermaids are real and the lives of land-dwellers are inexplicably linked to the magical creatures of the forest.

Land Locked, the first installment of the series, sets things in motion for our heroine Nerida as she finds herself trapped on land at the mercy of a wicked little Nod..

But when a bargain struck is left unfulfilled, Nerida finds that the ways of the land dwellers are brash and flippant..

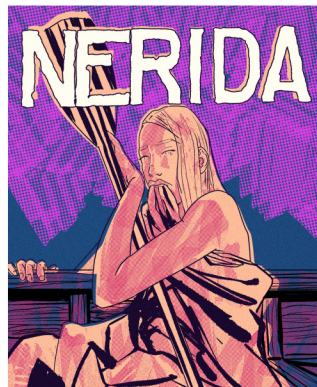

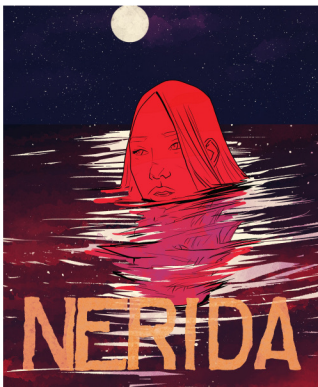

Presenting Nerida, a twenty eight page remarkable first issue to what will surely be an epic adventure!

So be sure to feast your eyes on the vivid illustrations and uncanny story telling in the latest work by David Luján. Sign up for announcements and updates on the LKC website.
